

Good Afternoon,

As you know, there has been some confusion with the banks and the SBA regarding the roll-out of the PPP loans. To help ease some of this confusion, the Treasury department has a page dedicated to information regarding the PPP loans. The page contains the updated application (revised 04.02.20) and a helpful Q&A section. It can be found by clicking here: [Treasury Dept PPP Loan Info](#).

In regard to the “payroll costs calculation” needed to determine the loan amount, we are happy to assist you and provide you with the payroll reports that your banker is requesting. To request the documents, please email us at COVID19@prosperitypayroll.com . Please be specific as possible in regard to what documents are being requested.

If you’re having an issue with your bank, a complete list of SBA lender approved banks can be found by clicking [here](#). NOTE: some banks on this list are only accepting applications from their existing customers.

As always, please feel free to reach out to us for any assistance with the loans or anything else related to the current situation. Our success depends on your success. Please let us know how we can help.

Sincerely,

Janice Legters &
Thomas Baldwin
